

Since the eighties, Lezama-Leguizamon Group, through its promoter Llodilu has been developing its activity in the construction world, primarily in the area of Bilbao, Getxo-Neguri. Beginning in 2000, began its journey in the Costa del Sol, developing flagship projects in the best areas of Marbella. In his long career, he has focused his activity in housing construction in areas with very exclusive location, using materials art and respecting the architectural character. With a design that combines elegance and quality, he has managed to offer all customers a great place to live, with all the comfort and the safety of the most advanced technology.
